I commission the auction house Auktionshaus Geble GbR to bid in my name and on my account in the abovementioned auction for the following catalogue numbers up to the maximum amount stated. The successful bid is made at the lowest possible price – also if the written bid is higher. In the case of orders, the catalogue number stated is binding (not the title of the item). Telephone bids are possible from a 200 € limit, whereby the limit is bid through the telephone retention. I recognise the terms and conditions of auction of Auktionshaus Geble GbR.
